HENRY A. KISSINGER

December 11, 2009

Dear Mr. Jochem:

Many thanks for writing and for sending me a copy of Transit Nurnberg #3, which I am reading with interest.

There is indeed much to be learned from the chronicles and experiences of those before us, and you seem to have found a niche for your own discovery and analysis therein.

I send all good wishes.

Best regards,

Henry A. Kissinger
