Manny® asking stupid questions

Not for the fishes?

It's now feeding time for all bottom fishers

Did they claim to be?

Both Gerald Ford and James Brown were unlikely harbingers of the new.

The temporary breakdown in transmission is due to undersea cable disruptions caused by an earthquake off Taiwan. We apologise for any inconvenience caused.

Or an attack by Godzilla?

Just asking - Yours

Making friends?

Manny®

... and here the link to "*Manny®* - The one and only Nuremberg polar bear cub!"
